

What is Dholera SIR ?

A Planned, Government - Backed **Special Investment Region** in Gujarat— built From the Ground Up, not Retrofitted into an existing City.

It Sits on India's Biggest Industrial Artery

Dholera is positioned on the Delhi-Mumbai Industrial Corridor (DMIC) — one of the largest infrastructure Projects in the country, connecting India's two Biggest economic hubs.

Built to Connect, Not Isolate

**Superfast
Express Way**

**Dholera
International Airport**

**DMIC-Linked
Rail & Port**

Why Global Manufacturers' Are Watching

Tata Electronics' semiconductor investment in the region signals something bigger than real estate — it signals industrial confidence in Dholera's future.

Infrastructure First, Investment Second

**Most emerging markets ask you to bet on a promise.
Dholera is building the roads, power, and water
systems first the proof is already on the ground.**
